## Italica - Our Legacy

we define  
*Luxury*

Since its establishment in 2004, Italica has been the premier brand for anything & everything innovative and trendy in the ceramic industry. Our motto of "Innovating Trends" does justice to our approach, as we have not only been a leader in manufacturing capacity but also a pioneer in creativity. Our consistently close relations with icons of glamour and style have definitely left their imprints on our legacy, creating a realm where beauty and functionality reign supreme seamlessly. This futuristic and unique journey has made Italica a symbol of class world over.

To this day, Italica continues to be the flag bearer of class, consistency, and creativity in the ceramic industry. Where not only does it excel, but also has become an inspiration for décor trends, designer products and much more. This legacy of style, glamour, innovation and excellence will live on forever with Italica.

## | Vision

Italica Group aims to be the fastest growing tile manufacturing organization in India with the focus on continuous and valuable innovations. Subsequently, create its irrefutable presence amongst the premium brands on a global scale.

## | Mission

To make sure that each tile produced in our factory reflects individuality and beauty of natural stone, right down to subtle differences in tone, texture, grain and that it reaches every corner of the world.

## | Values

The corporate values governing Italica are not just words on paper; they are a commitment for our supremacy and genuineness.

**Integrity:** We believe in complete honesty and doing what is right. Be it using fair business practices to ethical treatment of associates and business partners.

**Passion:** To excel through quality, innovation, delight our clients and cater to every consumer in every corner of the world.

**Perseverance:** When the problem appears too challenging, we try again differently. We do not give up. And we will not give up until we have our presence in every country in the world.

**Punctuality:** We take pride in being a company that consistently delivers products on or before time. Our different departments ensure smooth functioning to make the time between manufacturing and delivery, the shortest.

**Commitment:** We are committed to fulfilling all the demands of its customers and put in efforts to always satisfy them to the fullest.

SIGNATURE COLLECTION FOR ITALICA TILES

Staying true to our brand promise, we roped in Mr. Karim Rashid to design and launch our signature collection called 'Designs By Karim'. The collection was introduced to the world at a grand event, and it subsequently made a special place in the hearts of one & all, and received a lot of positive response from the market.

Karim Rashid, an American industrial designer, is one of the most well-known designers of the 21st century. Karim Rashid's contemporary designs have mesmerized people all over the world. He has over 30 years of experience of working with some of the world's most premier brands such as Pepsi, Hyundai, Audi, Samsung & more.

## THE EPITOME OF TILING INNOVATION

Gone are the days when the significance of tiles was limited to covering surfaces. Today, tiles are considered as one of the most important elements for decorating spaces. Be it indoors or outdoors, the role of tiles is indisputably vital. To address the changing times, Italica has developed a class apart collection of tiles that consists of versatile tiling solutions having a variety of designs, patterns, finishes, and sizes.
